

French, Massachusetts; Josiah Chapin, Rhode Island; S. D. Hubbard, Connecticut. The Treasurer reported that the funds of the Society had been augmented \$2000 since yesterday. The subject of memorializing Congress to establish a National Agricultural School was referred to the next annual meeting. Evening Session.—The Agricultural Society re-assembled at 7 o'clock this evening. Professor Mapes delivered a lecture on fertilizing, when, after passing a resolution complimentary to the officers, &c., the Society adjourned to the last Wednesday in February, 1854.

**Wha are your intentions?—Speak or die!**—A third year in Wisconsin, claiming the property of eleven daughters, greatly to the astonishment of his neighbors, succeeded in marrying them all off in six months. A neighbor of his, who had likewise several single daughters, called upon him to obtain the secret of his sudden matrimonial success, when the latter informed him that he had made a rule, after a young man had paid his attention to one of his girls for forty days, to call upon him with a revolver, and request him to choose between death and matrimony. "You can imagine," continued he, "which of the two you preferred."

**Headache would relieve Her.**  
Her physician had no hope of her recovery. A bottle of Relief was sent her, and, after she had used it, she was cured. In fifteen minutes she was relieved from her pain.

**In Three Days she could Leave Her Room.**  
And before the second bottle was used, she was able to get up, and in three days she was able to go out. In three days she was able to go out.

**Mysterious Noise.**  
Bills the head was afflicted with a mysterious noise, which was attended with great suffering, and which was attended with great suffering.
